

Key information

- Trainees are recent university graduates or undergraduate students with different areas of specialization, enrolled in 9 Croatian Universities. They receive an Erasmus + scholarship and insurance against civil liability and accidents;
- Participants must carry out the internship abroad;
- Host organizations may be public bodies, associations or companies established in the EU;
- Host organizations participate free of charge;
- Host organizations interested in participating must register through this [web-form](#);
- The Organizations will involve the trainees in the implementation of the office daily activities. A focus on investigation on EU funds or other activities related to the European programming is desirable;
- The registered Host Organizations will be able to view the candidates' profiles, invite candidates for interviews and receive candidatures. Interviews will be done on Skype;
- The Organizations host only those candidates positively evaluated during the interviews;
- Organizations and trainees agree dates, time and tasks in the Letter of Availability and in the Learning Agreement;
- The duration of the traineeships is from 2 to 6 months;
- Partners of the initiatives are EuGen – European Generation (IT – International coordinator), Sapienza Roma University (IT), Campus Iberus (ES), Informo (HR), European Projects Association (BE);
