

EU4EU

European
Universities
for the EU

WHAT

EU4EU is a network of University consortia co-financed with Erasmus+ funds KA103 and KA108. It generated an international community that unites Universities, companies, students and young professionals all over Europe

WHY

To facilitate the transition between university education and access to employment, effectively promoting new job opportunities for young graduates

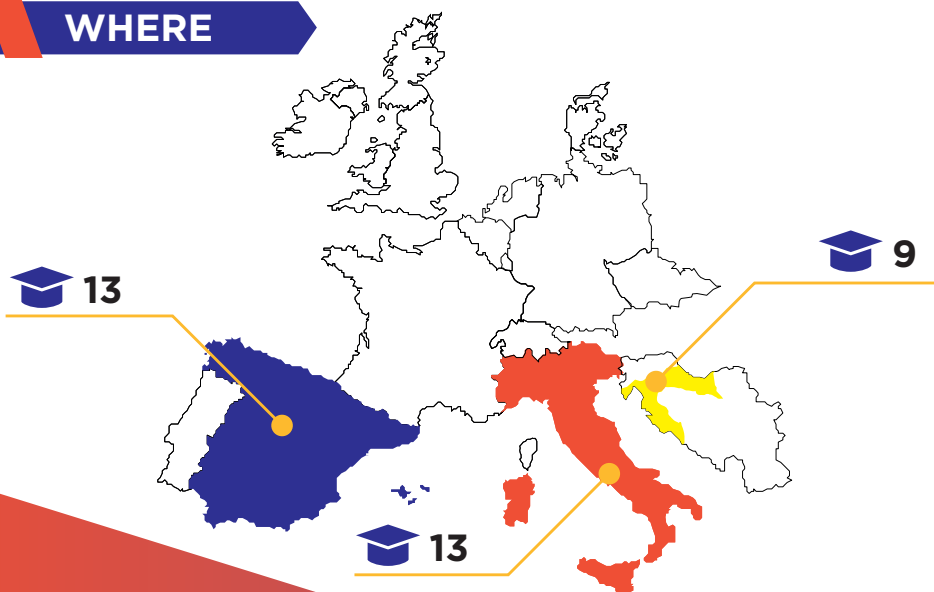

HOW

1 Through the organization of Erasmus+ traineeships in the EU

2 With desirable focus on EU funding and project management

3 For students with different university backgrounds (political science, law, economics, IT, communication, marketing, languages, etc.)
