

Italy

Objective criterion

Applicants must present a valid 2025 ISEE (Equivalent Economic Situation Indicator) equal to or lower than €27,948.60, in accordance with Ministerial Decree No. 180 of 28 February 2025 (higher education sector).

Submission of the ISEE certificate is a mandatory requirement to access the contribution.

France

Only students who fall within one of the following economic criteria are eligible:

- Beneficiaries of a higher education grant based on social criteria (levels 6 or 7) (official notification of grant award required).
- Belonging to a household with a CAF Family Quotient \leq €551 (updated CAF certificate required).

Spain

Only students who fall within one of the following economic criteria are eligible:

- Beneficiaries, in the previous academic year, of a general scholarship granted by the State General Administration for university or higher education studies, or an equivalent scholarship recognised at regional level.
- Belonging to a household receiving Minimum Vital Income (Ingreso Mínimo Vital), Renta Mínima de Inserción, or another equivalent economic benefit recognised at national or regional level.

Portugal

Only students and recent graduates who demonstrate a disadvantaged economic condition, certified according to the parameters established at national level, are considered eligible.

Application procedure (all countries)

To request the contribution it is necessary to:

- Send an email requesting financial support, attaching documentation certifying the condition of economic disadvantage.
- Wait for the formal evaluation of the request.

Applications are assessed in accordance with the principles of confidentiality, data protection and non-discrimination.
